ALEXANDRIA GAZETTE.
THURSDAY EVENING, OCT. 5, 1905.

Government Printing Office.
President Roosevelt had a talk yesterday with Representative Charles B. Landis, of Indiana, on the work of the commission which is to investigate the conditions in the government printing office with a view to reducing the expenses of operation of the big-printing plant. Mr. Landis was chairman of the House committee on printing in the last Congress, and probably will be in the next. The commission authorized by Congress to make the investigation consists of the committees on printing of the Senate and House of Representatives. Senator Platt, of New York, is the chairman of the commission.

It is expected the commission will hold its first meeting in New York within a day or two, and Mr. Landis is en route to New York to attend it. The working sessions of the commission probably will be held in Washington. It is believed possible by the members of the commission to reduce the expenses of the government printing office at least \$1,000,000 a year.

Sold His Wife For \$200.
Edwin A. Tucker, who had been suing Eugene B. Dudley, a man over 60 years of age, for \$75,000 for the alienation of the affections of his wife, was confronted in New York yesterday with a release he had signed a year ago for \$200, by the terms of which he was to have no further claims on the affections of his wife. Tucker had to admit he had signed the release and that the \$200 had been given to him by Dudley. That being the case, Justice Dickey immediately brought the trial to a stop and non-suited the plaintiff.
